25.100,00 €

Eligible budget:
25.100,00 €

Just Transition Development

KOEMTZOPOULOS AND PARTNERS GP

KOEMTZOPOULOS AND PARTNERS GP is investing in the acquisition of modern equipment, energy efficiency upgrades through the installation of a heat pump, and the development of digital tools (CRM) and corporate identity services (branding). These initiatives aim to improve operational efficiency, strengthen competitiveness, and enhance the overall quality of the services provided.

Programme «Just Transition Development 2021-2027»

Co-funded by the European Union
